The Images tab shows all images acquired during the patient's exam, organized in series.

Three Image Viewer Options

1. Quick Viewer
Click the lower-right corner of the thumbnail, indicated by a green highlight, to view a large, static display of the selected image.

2. Web Viewer
Access a basic set of controls to view and manipulate images with the Web Viewer, which works on any device.

3. Full Viewer
Use a full-featured viewer that displays diagnostic-quality images. Full Viewer must be installed on your computer prior to first use.

Account

The Account Page allows you to define settings that are specific to your portal account:

My Profile
• Update your personal information, including email and phone numbers.

Settings
• Refine your view preferences for how patients are displayed on the Home Page and Orders Page.

Security
• Change your password.
• Change your security answers. These are helpful to retrieve your user ID or password, if you forget in the future.

Orders
• Change the default settings.
• Authorized others to order and schedule on your behalf (ordering providers only).
• See which providers you can order and schedule for without their review and approval.

Image Viewer
• Define the default Image Viewer.
